

The Country Junction's
All Natural Goat's Milk Soap

Goat's milk moisturizes your skin and adds protein, vitamins, minerals, alpha hydroxy acids and vitamins A and D. The oils in Goat's Milk are easily absorbed by your skin and help to balance your skin's moisture needs. Whether your skin is dry or oily, using Goat's Milk Soap can bring your skin to healthy balance. Goat's milk is also anti-inflammatory and very mild especially suited to people with sensitive skin or skin troubles. People with eczema or psoriasis are often helped by using Goat's Milk Soap
